

# Come join us!

The WPCLN would like to invite you to come join us for a weed walk & talk along a Blackberry infested roadway with industry expert Dr. Robin Adair.

Dr Robin Adair, Director of Australis Biological, has worked for 32 years researching invasive species management and control.

Date: Friday, 20th September 2024

Time: 10am-12pm

Meeting place: opposite 135 Martin Rd, Bunyip

Type of activity: Weed Walk & Talk

Parking: Parking is limited and available along the nature strip of Martin Rd.

What to bring:

Sturdy footwear, a coat and a drink bottle

Food: Morning tea will be provided for all

For more information or to RSVP please contact:
